

## What Are 4-H Projects?

4-H projects are hands-on learning experiences that can introduce you to exciting new hobbies & future career possibilities. There are many projects to choose from & each one has a manual to guide you step-by-step through the project.

A 4-H project is a learn-by-doing adventure!!

### Some Examples of 4-H Projects

Veterinary Science	Entomology (BUGS!)	Clothing
Foods & Nutrition	Dairy Cattle	Computers
Health	Tractors	Horses
Bicycle Care/Safety	Dogs	Woodcraft
Citizenship	Forestry	Career Exploration
Poultry	Crops	Water Wise
Home Environment	Crochet & Knitting	Small Engines
Rabbits	Geology	Weather
Beef	Goats	Vegetables
Energy	Consumer Education	Electronics
Gardening	Ecology	Plant Science
Photography	Swine	Public Speaking
Ornamentals	Exploring 4-H	Geology

There are so many more projects and activities to choose from in the 4-H program. Call one of the club leaders or come by the Extension Office to find out more.

<b>Archery Club</b>	<b>Melinda England</b> 528-7962

### Adult Volunteers Needed!

4-H needs adults to share their knowledge, skills and interest! Being a 4-H leader doesn't mean a whole lot of your time. Leaders serve in different capacities. Some help with just one 4-H activity while others volunteer as a club or project leader for the year. Contact the Hart County Extension Office at 524-2451 for more information.

### 4-H Has Something For Everyone!

If you are between the ages of 9 and 19, you can belong to a school club, a community club or a project group. You can't lose when you are part of a program in which you can:

- \*Make new friends!
- \*Develop self-confidence!
- \*Explore projects that can lead to future careers.
- \*Work with your family and in your community!

If you are younger than 9, then you can become a pre-4-H'er or Cloverbud and participate at county and club activities.
